

EDUC 178 Field Experiences Observation Guide

SKC Student name: _____

Observation #

Total time observing (hrs/min)

Supervising Teacher signature _____

Education activity setting: _____ *date*

School: _____

Teacher: _____

Grade/average age of students: _____

Subject/material covered: _____

What is going on in the setting? Briefly describe what you are observing.

What are your reactions to the classroom situation(s)? In this section, give your impressions of what went on, including any reflections you have about the nature of the teaching and learning, classroom management, or atmosphere present in the classroom. What questions might you raise in our class, based on your observations?
